

„Object Sensorium for twelve senses“

arch. Oldřich Hozman, www.arc.cz

Object Sensorium for twelve senses is made from different woods

Sence for Touch...in the depth of darkness...

Sence for Touch...
leads you to understanding of compassion...

Sence for Movement...
leads you to control your will...

7
Smysl pro rovnováhu

Jak ovlivňuje tvůj
postoj tvé vnímání?
Co cítíš, stojíš-li
v předklonu?
Jak se cítíš, když stojíš
rovně a vzpřímeně?
Jaké to je,
stát v záklonu?

Sence for Balance...
leads you to understand deliberation...

Sence for Balance...
leads you to improve your concentration...

Sence for Balance...
leads you to improve your courage...

„Nemohu tě ani cítit...“

Sence for Smell...
leads you to cultivate your aesthetics abilities...

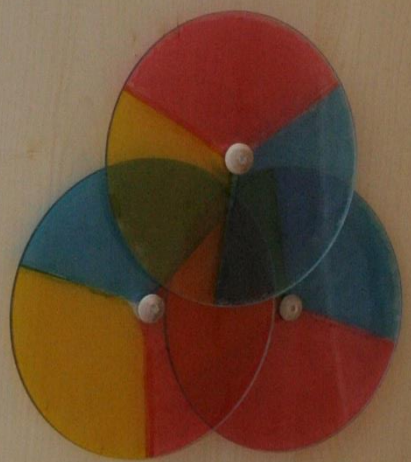

Sence for Smell...
leads you to cultivate your aesthetics abilities...

Sence for Taste...
teach you what you are able to absorb...

Sence for Sight...
influence your mood and feelings...

Sence for Sight...
influence your temper...

Sence for Warmth...
open your mental warmth of feeling...

Sence for Hearing...
leads you to improve your concentrations...

Sence for Hearing...
deepen your attunement...

Essence of each Sence
can be made from the clay...
